EYFS Newsletter

Well Done!

The new starters have had a great first few days at school and are settling into the routine of the school day. Thank you for helping your child in the mornings by reassuring them and settling them into an activity even when they might be upset to leave you. The children are also enjoying their 'jobs' such as being the milk helper or in charge of tidying a particular area.

Wellies!

Please bring in a pair of wellies for your child to use at school so that their school shoes don't get ruined when they spend time in our outdoor area.

Reading

Books are changed as we check the home-link books and read that your child has finished the book. We aim to do this daily but sometimes the busyness of the day or change in staff means this doesn't always happen. Feel free to ask us to show you where the books are to choose a new one in the morning or afternoon if this does happen.

Photos

Do bring in a photo of your family to display in the classroom. The children love looking at them and talking about the special people in their lives.

Family

Please clearly name your child's clothes, especially jumpers and shoes. Some children have the same shoes and we want to make sure they are wearing the right ones!

WANTED!

We often ask for seemingly random items to use in school, please be assured we are using them to support your child's learning-Early Years is an amazingly creative place where everything has a use! Currently we could do with:

- Birdseed or bird nuts
- Old computer keyboards, electronic toys (which you don't need/don't work any more), CD players, mobile phones, telephones, video tapes, video player, even laptops?!-Our vision is to have a 'tinkering/invention' table which will be a supervised area for children to take objects apart to find out how they work and explore different materials using magnets etc.

Flush the Loo!!

Please remind your child to flush the toilet as we are getting toilets filling up with toilet paper as some of the new children are forgetting to flush it down!

Bring in your favourite book if you are called...

Lottie,
Harrison,
Florence.

Stay and Play-Friday 23rd at 2.30pm

While we are gradually introducing children into joining the assemblies, this creates an opportunity to use this slot of time for you to come and be shown round the classroom and outdoor area by your child when there are fewer children around and to find out what they like to do at school! Come to the main office at 2.30pm and Mrs Hartley will show you to the classroom. Pick up is as normal at 3.15pm from Class 1.
