

PARENT/CARER TRANSITION TO SECONDARY SCHOOL SURVEY 2015

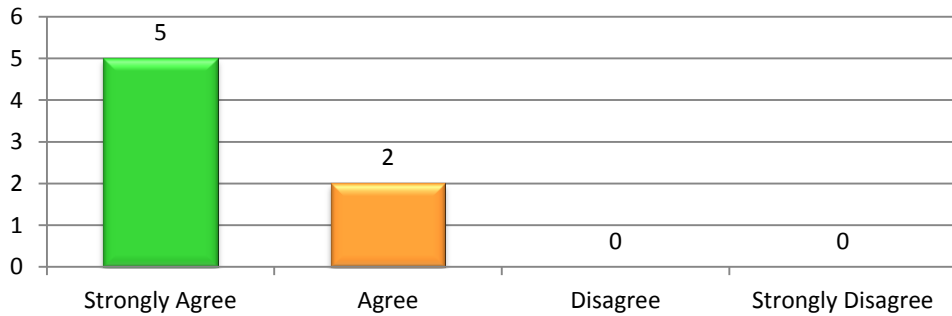

My child was well prepared for the transition to secondary school

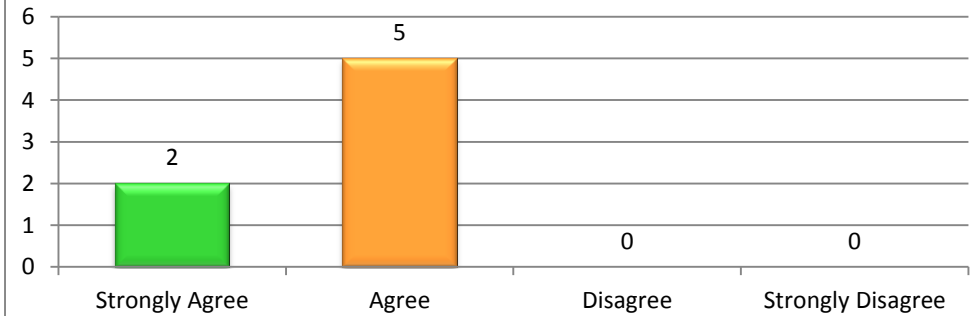

The information provided to parents before my child entered secondary school met my needs

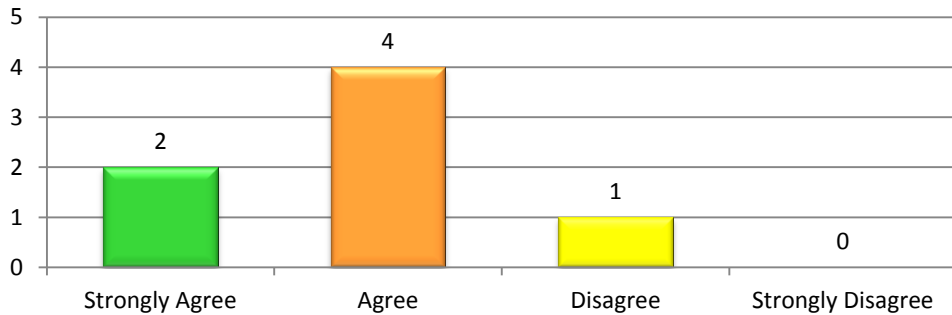

Pupil visits to the new secondary school were useful in preparing my child for the transition

I felt able to discuss any concerns about transition with a member of staff at Topcliffe Primary

Good opportunities for parents to meet key staff at the secondary school were provided

My child settled easily at the new school
